PUBLIC ADVERTISEMENTS.

GENERAL AND REVENUE SECRETARIAT.

NOTICE.

Sealed tenders are invited for the supply of the articles of furniture noted in the accompanying list which are required for the Indian Guests' Quarters, New Block, and the New Travellers' Bungalow at Mysore. The articles should be of superior quality and workmanship and made out of well-seasoned Mysore teakwood and they should be delivered at the Indian Guests' Quartees, Mysore, on or before the 1st of December 1916.

2. The tenders should be addressed to the Secretary to Government, General Department, Bangalore, and should reach him not later than the 30th September 1916. The tender should state the rates at which the articles can be supplied.

3. The articles should be on the model and of the dimensions of those kept in the Indian Guests' Quarters (old block) Mysore.

4. A deposit of Rs. 250 should accompany each tender, which in case of the successful tenderer will be returned only after the terms of the contract are duly fulfilled.

5. The acceptance or refusal of the tenders shall entirely rest with the Secretary to Government, General Department, who is not bound to accept any tender or tenders or to accept the lowest tender or to give reasons for the rejection of any tender.

6. The successful tenderer shall execute a contract bond within five days from the date of intimation of the approval of the tender and should hold himself responsible for the due performance of the contract on pain of his deposit money being forfeited. He should also guarantee the soundness and efficiency of the articles supplied for a period of two years, the deposit amount being held in reserve during the period.

7. In all cases of dispute relating to the soundness of the articles, the decision of the General Secretary shall be final.

General Department.

GOVERNMENT OF MYSORE, ELECTRICAL DEPARTMENT.

Notice dated

Notice is hereby given that sealed tenders will be received by undersigned up to the 30th September 1916, 12 noon for the supply of the undermentioned oils grease, etc., required for the use of the Electrical Department, during the year 1916-17 (October 1916 to June 1917).

2. An approximate estimate of quantities required is given against each item in the list which quantities are not guaranteed. The quantities may be increased or diminished by 50 per cent.

3. Tenders should be submitted on their own forms accompanied by a list in the form given below showing the rates at which the different items specified in the list will be supplied.

4. Each tender must be accompanied by a deposit of Rs. 200 in currency notes or Government Promissory Notes as earnest money and be superscribed "Tenders for the supply oils, grease, etc., required for use of the Electrical Department for the period 1916-17, in default of which tenders will be rejected." Samples to be submitted clearly showing item number, supplier's name and price. These samples to be sent to the Office of the Chief Electrical Engineer, Bangalore, who will return those of the unsuccessful competitors, if desired.

5. The final acceptance of the tender will rest with the Chief Electrical Engineer, who does not bind himself to accept the lowest or any tender or assign any reason whatever for the rejection of any tender. The Chief Electrical Engineer reserves the right of awarding any part or portion of the supply to any tenderer.

6. After tenders are opened no charge of rates under any circumstance will be allowed. They will be opened in public at 2 P.M. on the 30th September 1916.

7. Within eight days of the acceptance of the tender, the successful competitors will be required to execute a contract bond, in default of which his tender will be considered cancelled and his earnest money will be forfeited.

8. The name of the successful competitor whose tender has been accepted will be posted on the notice board in the Chief Electrical Engineer's Office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

9. On acceptance of any one of the tenders, the earnest money on rejected tenders will be returned. The earnest money of the successful tender will be returned when the supply is completed satisfactorily.

10. The materials should be delivered in three equal instalments. One immediately and the others in January and April 1917. The successful competitor shall guarantee to maintain sufficient stock of the materials enumerated in the list at Bangalore and comply with all indents made on him during the first quarter beginning with October 1916, within two weeks of the order sent to him and follow the same procedure for the subsequent quarters commencing with January 1917 and April 1917.

11. The rate tendered for each item shall include cost of delivery either at the stores of the Electrical Department or "F. O. R." Bangalore; and shall be binding on the supplier from the date of acceptance to the 30th June 1917. No charges will be allowed for packing or carting.

12. Materials supplied found not to be up to standard in quality or to other cause, will be rejected and the supplier shall remove same and shall guarantee to replace same with fresh materials then and there. (All charges incurred on the rejected materials will be debited to the supplier.)

13. Should the successful competitor fail to supply the required material or replace the rejected material in time, the same will be purchased elsewhere and difference in cost between the rate tendered and that at which the material is purchased will be debited to his account.

14. Weights, quantities and quality of materials supplied as scaled and acknowledged by the receiving officer of the department, on supplier's invoices, to be accepted as final and no representations by the supplier of his weights, etc., being the correct ones will be considered.

15. Materials supplied different from that specified will be paid for if accepted on the basis of the articles specified in the original tender.

16. The supplier should guarantee that the articles will prove satisfactory if used in the specified services.

17. Deliveries when made from local stocks should be in two weeks and the date of delivery should be specified when the articles have to be imported.
